In episode 116 of the #askgaryvee show Gary Vaynerchuk invited some of his employees to ask him questions. Read the questions that they asked him. Watch the video. Choose the answers that Gary believes are true (more than one answer is possible).

1) Which industries will see the most disruption in 10, 20, 30 years from now?

- a) Food manufacturers
- b) E-commerce
- c) Laundry companies
- d) Colleges and Universities
- e) Delivery companies

2) What do you think about being nice to people? Is it important? How do you do it?

- a) Being nice is part of my personality
- b) I think people used to be nicer in the past
- c) I don't have time to be nice to people
- d) I persuade managers to be nice to people.

3) How will the ways in which people consume sports and how sports are marketed change?

- a) Fans will focus on teams
- b) Fans will focus on players
- c) Fantasy sports play a big role in it.
- d) Top players may decide to start new leagues

4) How to deal with contractors who aren't putting enough effort into their work.

- a) Always be nice to contractors even if they are not doing their job right
- b) Most contractors suck
- c) One deadline missed by a contractor could destroy Vaynermedia
- d) Gary suggests building relationships with people who work for contractors

5) What do you think about the phrase, "Any press is good press"?

- a) So true!!!
- b) It depends
- c) No
- d) Gary disrespects people who say so.

6) What was your first screen name? (spell it)

DISCUSSION: How do you see yourself in 5, 10, 20 years on professional and personal level?
