G)

1) She looks at them a lot when she feels lonely.

If she needs comfort, she gives him a hug.

If she has a sad day, reborn babies help her to get through the day.

2) Nursery/baby room

3) When you hold a baby you instinctively want to nurture them, hold them in a certain way and you start to sway and you move when you're holding a baby.

4) She didn't think that she had enough artistic skills to make them.

5) You can buy a new outfit and stays new for 'forever'.

Reborns don't turn into a teenager that wants an iPhone

H) Invite SS to find information about endometriosis and discuss causes, symptoms, etc.

6) She felt sick one day. Her lower abdomen was hurting. So she asked her husband to take her to hospital.

7) People that are unaware of the hobby assume that there's something mentally wrong with collectors or that there was some tragedy in their lives.

8) Collecting toy cars.

9) SS's answers.

I. SS's answers.
